SERIAL No. 1

SIR,

Both Maddur and Bandipore are II Class Travellers Bungalows.

I have the honor to report, for the information of Govt. that on the representation of Asstt. Commissioner Mr. H. Rangunda Raj urs for an increase of pay to the water woman of the Maddur Traveller's Bungalow, in the Gundlupete Taluk, in consideration of the long distance from where water has to be carried to the Bungalow, and the jungly locality in which the Bungalow is situated, the general scarcity of water there, and upon my own personal experience of the place, I found it was necessary to raise the pay of the water woman referred to and accordingly ordered her pay to be raised by one rupee (ie from 4 Rs to Rs 5) and the excess to be made good from the pay of the

water woman

waterwoman of Bandipur of the same Taluk whose pay was Rs. 6 per mensem so that the pay of both of the waterwomen shall be Rs. 5 per mensem. This arrangement was brought into effect from 1st March 1892. The Comptroller now raises objection that the scale of Establishment should not be altered unless it was approved by Government under section 13 of Chapter IV of the Account Code. Under these circumstances I beg that sanction of Government may be obtained to the temporary arrangement above made.

I have the honour to be
